Dear Nkosinathi Thela

Your application for Silver Learning Partner status

I'm pleased to confirm that your institution has been awarded Silver Learning Partner status as part of our Approved Learning Partner (ALP) programme.

Learning Provider:	Institute of Management Accounting and Strategy (IMAS)
Approval level:	Silver
Approval period:	28 September 2016 – 28 March 2018

This recognises that you meet our requirements and are committed to start teaching in six months from your approval date if you are not already doing so. You must then apply for Gold status within 18 months of your approval date. We will contact you in six months to confirm your institution has started teaching and then again at 18 months to ensure you have made an application for Gold Approved Learning Partner.

Please note we would advise to make the application within 15 months of your institution approval date to ensure that your Silver Learning Partner status will remain until your institution becomes a Gold Approved Learning Partner. However, if you feel you meet all the performance targets before this time we would welcome an application from you.

To help you make an application for Gold Approved Learning Partner status the performance targets and guidance is attached. You can get further help with our [Silver LP self-assessment](#) which provides detailed guidance and template documents.

If you need any more information, please don't hesitate to contact us on newaccreditations@accaglobal.com.

Congratulations on your achievement and we look forward to developing our partnership.
