Dear Nkosinathi Thela

RE: ACCREDITATION OF INSTITUTE OF MANAGEMENT ACCOUNTING AND STRATEGY (PTY) LTD

Fasset's (SETA for Finance, Accounting, Management Consulting and Other Financial Services) QA department makes use of the Quality Assurance Partner (QAP) model, in our interactions with Professional Bodies. Fasset devolves the process of accreditation but retains the responsibility for verification and certification. QAPs are accredited for a five year period. They are monitored on a yearly basis and audited in their fourth year, with a view to re-accreditation.

In terms of the QAP model, Fasset accredits Professional Bodies with respect to the processes that they use to accredit their tuition providers and workplace providers. As a result, Fasset accepts the Professional Body's accreditation of its tuition providers and workplaces and registers them on our database. Consequently provider accreditation end and start date may differ from qualification to qualification.

In this instance, **Institute of Management Accounting and Strategy (Pty) Ltd** is an accredited provider with the following QAP(s):

1. The **Chartered Institute of Management Accountants (CIMA)**, whose accreditation with Fasset is as follows:
